## Home Learning

For the next 2 weeks we will learn about **Transport**, looking at different ways of traveling, different vehicle's and talking about how we get to preschool and back!

Please could your children take some pictures of different transport they see as they come to preschool or when you're out and about on a walk?

A tractor, a bus or a lorry would be great, please email them in so we can share them during circle times.

## Volunteer - Fair Share

### **Please can you help?**

We are looking for more volunteers to help us with the pickup of the fair share.

We are asking for just 1 hour of your time every 6-8 weeks, so if you are interested in supporting us with this then please contact the office.

We would love to hear about your child's 'WOW' moments at home! If your child does or says something at home that makes you say 'WOW' you could use the slip below to tell us about it! It could be the first time they pedalled their bike, a new word they've learnt and used correctly, counting to ten for the first time, we'd love to hear from you. Additional 'WOW' slips are available if you need more.
